

# Anatomy of a Mini-Lesson

Hook

1. What?

2. Why?

*Top-Notch Educators*

educators understand that language leads learning. They therefore use language as an instructional tool whereby their students are skillfully mentored into literacy.

Strategy:

Focus:

Bloom's Taxonomy

Goal

To:

Demonstration/Modeling

Guided Practice

With:

Independent Practice

Gradual Release Model

By:

Behavior Management

Debrief ~ What did we do well as a community of learners today?

Closure ~ What is one thing you've learned today? (as a reader/writer/scientist, etc.)

Language leads learning...long term memory
